WHAT ELSE IS NEW?

Our [collaborations](#)!

- ✓ Firstly, there is the collaboration with the [Network Commission](#), which will be used to improve quality of trainings at Network Meetings, to mutually promote training events and to stimulate knowledge transfer.
- ✓ Then, there is our newest collaboration with the [Quality Assurance Committee](#). From now on, we will ensure that the hosting locals of our training events follow the standards for quality, to make the training events even more awesome!

WHAT MORE DO YOU NEED TO KNOW?

We had a very [productive board weekend in Brussels](#). We discussed a lot, came up with many concrete ideas and innovative concepts, and ended our long meeting days with lovely Belgian beers. You can [read the minutes here](#). One of the main decisions of this weekend is that from now on [the board term](#) is officially [prolonged to 1 year](#), as the majority of the votes were positive!
