EVALUATION OF LATEST EVENTS

Anna Smailikova - SUPS 2014 Trainers' Team & SUCT Board Member:

"Summer University Project School (SUPS) took place in Izmir, Turkey, this March. SUPS had the best ingredients for an amazing cocktail:

- experienced trainers with different and interesting approaches to the way of presenting their sessions;
- amazing, active participants who made trainers very happy, by asking many questions and taking active part in discussions;
- and, of course, simply the best organizers, who were always ready to help with any questions.

Six days of very intensive but challenging and interesting program passed so quickly. We had sessions about project management, PR and FR, logistics and leadership and many other topics with socializing during the night and waking up by sun, in noisy, beautiful Izmir. And with the help of useful daily case studies, participants could prepare their own Summer University. They are now prepared to rock this summer!"

*Maartje Natrop - Senior trainer,
LTC Düsseldorf 22-03-2014:*

"I crossed the Dutch borders to my neighbour AEGEEans in Germany, where I had the pleasure of training nearly 20 enthusiastic AEGEEans, together with AEGEE 'golden oldies': Fabian Bruggeman and Olivier Genkin. We gave sessions in Public Speaking, HR, FR, Project Management and more. The spirit was high and the effort even higher! I feel a new generation of active German AEGEEans coming up..."
